

EAST MIDLANDS

# IT'S YOUR NEIGHBOURHOOD 2017

## Association of Far Cotton Enterprises

St Leonards Road, Far Cotton, Northampton NN4 8DL

Assessed on: **16.08.17**

Assessor(s): **Paul Townsend**

Size of entry: **3**

Main contact person: **Mr George Karayannis**

**This is a very exciting new project which is looking at changing the whole Street. It would like to cover traffic management, waste management, drainage systems and the green infrastructure of the whole area. Their plans have been passed on to the local Council planners at all levels.**

### **Section A - Community Participation - Marks Awarded 10** (max 40)

This is a new group to Bloom which is located just on the edge of Northampton Town Centre: although only a small group they have very big plans for the area of the St Leonards Road.

### **Section B - Environmental Responsibility - Marks Awarded 24** (max 30)

The main driver behind this group is to make an environmentally clean, green area. They have been working on their plans for tree-scaping and have come up with a wonderful plan for the transformation of this very busy through road into the Town Centre. The plans look at ways to improve the Street with the use of planting trees to turn the area in to an Avenue or Boulevard; it will also use rainwater as part of the watering systems taking water from all the shops and houses on the road. Raised planters and seating areas are also planned.

### **Section C - Gardening Achievement - Marks Awarded 0** (max 30)

At this stage there was no Gardening to show

**Total Marks Awarded 34** (max 100)

**Award achieved: Level 1 - Establishing**
